Dear Linda,

Thank you for your recent correspondence. The Rules of the U.S. Senate limit Members of Congress from intervening, providing legal advice, or acting as an individual constituent's advocate in legal matters. Any issue that involves the legal interpretation of a law or its application to a particular situation must be decided by a court or other adjudicator and is outside the scope of assistance that I can offer. As such, I recommend you seek legal representation. If you cannot afford to pay for an attorney, and think you might qualify for free legal help, you may contact the organizations listed below:

Legal Aid Center of Southern Nevada

(702) 386-1070

Southern Nevada Senior Law Program

(702) 229-6596

Nevada Legal Services

(702) 386-0404

Thomas & Mack Legal Clinic, UNLV

(702) 895-2080

If I can ever be of assistance with a federal matter, please do not hesitate to contact me.

If you have any questions or concerns, please call my office at (702) 388-0205 for assistance.

It is an honor to represent you and all Nevadans in the United States Senate and I welcome your input as we work to find common ground in the 118th Congress. To stay informed of my work in the Senate, please visit my [website](#) and follow me on [Facebook](#), [Twitter](#), and [Instagram](#).

Sincerely,

Jacky Rosen
