Dear Linda:

Thank you for reaching out to Governor Lombardo's office and sharing your incident with us.

This must have been so terrifying for you to go through. Especially without any explanation. Regrettably since it is FBI related and Federal, we have no jurisdiction. I would strongly urge you to reach out to your Congressional Delegation (<https://www.congress.gov/members/find-your-member>) and ask for their assistance in finding out why this happened. Also, financial compensation for the damages that were caused.

Again, we want to say how sorry we are that you had to experience this travesty from our Nation's law enforcement. We sincerely hope you receive the justice you deserve!

Sincerely,

Constituent Services Team
Office of the Governor
